Aaron and Erica Kenny,
CBM's Africa team leaders
pass along the following
update: "In Garissa, our
colleague William Wako
has been leading a
conservation agriculture

project with several Christian churches and Muslim
villages... William's success is seen in the
commitment to walk with people out of the classroom
and into their communities and fields... This is what
integral mission looks like."

Please keep the CBM Africa team, farmers and food
security projects in your prayers.

One Another WMS

is gathering articles to do up
Operation Christmas Child Boxes. If anyone
would like to participate, please bring in items and
place them in the collection box located in the
Fellowship Hall or donate towards the cost of
shipping - \$7 per box. We hope to put many
boxes together at our next meeting on Oct. 12.
National collection week is Nov. 16 to 22.
