## Capital Campaign Contemplations

“The question is, who will determine the future of your church?”

-Norman Shawchurk, Lloyd M. Perry

### Caution #1

A new building does not cause growth.

It merely permits growth.

### Caution #2

Don't think that you cannot grow your church until you get a new or improved building.

## October is Clergy Appreciation Month.

With the shepherd doing so much to encourage the flock, wouldn't it be nice if the flock returned the favor? As teacher, counselor, comforter and the one who unselfishly serves, your pastor and his family could use an extra pat on the back. So go ahead and find your special way to say thanks. You'll be glad you did.
