Bolivia

A team from Grand Bay Baptist Church in New Brunswick is headed to Bolivia from February 16-March 2, as they will be involved with the Chagas project & Casa de la Amistad through their short-term mission. These two important projects address crucial needs in Bolivia. Chagas disease is a silent killer among the poor in Bolivia, transmitted by an insect that lives in common Bolivian homes, which the project provides medical treatment for and renovations for homes. The Casa project runs programming for children living in prison with their incarcerated parents, ministering to them and their parents in a difficult situation. Pray for the team in their unity, safety, and to be vessels of abundant blessing to all they encounter.

Let's fill our Food Box !

Some Suggestions:

Peanut butter, vegetable soup, canned meats, spaghetti and sauce or canned vegetables.

Why not get in the habit of bringing something each Sunday when you come to church?
