Friday, April 22 is Earth Day. Let us thank God for all the ways that he uses creation to provide for our needs, and for his deep care for the earth and all living things on it. If we believe that God is the Creator and Sustainer of the universe, then we can pray for God's help as we aim to protect, preserve and nurture whatever part of creation he has placed on our hearts. Ask the Lord for opportunities to be even better stewards of creation through our church, communities, and families.
